Summary Report on Public Awareness Programme

College Name: Rajgad Dnyanpeeth's Technical Campus Polytechnic Dhangawadi

Programme: Public Awareness on Health, Hygiene, Government Schemes, and Energy Sources

Location: Morwadi Tal- Bhor Dist - Pune

Date: 11/03/2025

Organized by: NSS Unit of Rajgad Dnyanpeeth Technical Campus Polytechnic Dhangawadi

Objective of the Programme

The aim of the programme was to raise awareness among villagers about health and hygiene, government welfare schemes, and sustainable energy sources, while also conducting a home-to-home survey to assess their needs and concerns.

Activities Conducted

1. Health and Hygiene Awareness:

- Organized workshops on personal hygiene, sanitation, and disease prevention.
- Demonstrated practices like handwashing and safe drinking water.

2. Government Schemes Awareness:

- Provided information on key government initiatives like Ayushman Bharat, MGNREGA, and financial schemes for rural areas.
- Assisted villagers in understanding how to access these schemes and register for benefits.

3. Energy Sources Awareness:

- Educated villagers about renewable energy options such as solar energy and its benefits.
- Explained energy conservation methods to reduce electricity consumption.

4. Home-to-Home Survey:

- Conducted a survey to identify the community's knowledge gaps regarding health, hygiene, and government schemes.
- Gathered data on the villagers' access to basic sanitation and energy sources.

Rajgad Dnyanpeeth's Technical Campus, Polytechnic, Dhangwadi

S.N.237, Dhangawadi, Tal-Bhor, Dist- Pune.

Impact and Outcomes

- The awareness sessions reached over 58 houses in a village, and many expressed an interest in applying for government welfare schemes.
 - Villagers showed a positive response towards adopting better hygiene practices and exploring solar energy solutions.
 - The survey revealed key areas for future intervention, including the installation of sanitation facilities and increased access to healthcare schemes.
-

Challenges

- Limited resources restricted the scope of some activities.
 - Some villagers were initially hesitant to participate due to lack of awareness.
-

Conclusion

The programme successfully achieved its goal of educating villagers on essential health practices, available government schemes, and sustainable energy sources. The home-to-home survey also provided valuable insights for further community support and engagement.

Summary Report on Tree Plantation Programme

College Name: Rajgad Dnyanpeeth's Technical Campus Polytechnic

Event: Tree Plantation Programme

Date: 17/01/2025

Organized by: Rajgad Dnyanpeeth's Technical Campus Polytechnic

Location: College Campus

The NSS Unit of Rajgad Dnyanpeeth Technical Campus Polytechnic organized a Tree Conservation Programme on [17/01/2025]. The initiative was part of the college's ongoing efforts to promote environmental sustainability and raise awareness about the importance of trees in maintaining ecological balance.

The event aimed to engage students and staff in protecting and conserving the green cover of the campus, with a focus on planting and nurturing native tree species. Under the guidance of the Principal, Prof. Khopade D.K, and the Heads of all departments, the participants worked together to plant saplings and ensure their proper care for long-term growth.

The programme also included educational sessions on the environmental benefits of tree conservation, the role trees play in combating climate change, and their significance in preserving biodiversity. The event saw active participation from numerous students, staff, and volunteers, with enthusiastic support from the NSS team.

The NSS Unit expressed gratitude to the college administration, faculty members, and volunteers for their support in making the event successful. Their collective efforts contributed to the enhancement of the college campus environment, reinforcing the importance of environmental responsibility.

The Tree Conservation Programme was a grand success, further strengthening the college's commitment to sustainability and the well-being of the planet.

Event Summary – Health Checkup Camp for Women Organized at Rajgad Dnyanpeeth's Technical Campus

A Health Checkup Camp for Women was organized by Rajgad Dnyanpeeth's Technical Campus Polytechnic on 11/03/2025. The event aimed to provide free health checkups and raise awareness about women's health issues. Each participant was provided with a registration form, and they were guided to different health stations for a thorough checkup. The camp included free consultations with doctors, general health screenings (blood pressure, blood sugar levels, BMI checks), and gynecological exams. The health professionals also provided advice on nutrition, exercise, and preventive care.

After the checkup, an awareness session was conducted to educate the women on common health issues they face, such as breast cancer, anemia, and menstrual hygiene. The session also focused on the importance of regular checkups and maintaining a healthy lifestyle.

Outcome:

- GIRLS and ladies staff From college participated in the camp and received free health checkups.
- Health screenings were provided, and several participants were advised to follow up with specialists for further care.
- The awareness session helped increase knowledge about key health issues affecting women and empowered them to take better care of their health.

This initiative by the NSS Unit was a significant step towards promoting women's health and well-being in the community.

The **School Engagement Programme** organized by Rajgad Dnyanpeeth's Technical Campus Polytechnic students aimed to engage with primary school children at Z.P PRIMARY SCHOOL MORWADI providing them with educational and recreational activities. The event focused on both learning and entertainment to create a positive and enjoyable experience for the children.

Activities Conducted:

- **Educational Sessions:** College students taught basic subjects like math, science, and English through interactive methods to make learning fun and accessible for the children.
- **Games and Creative Activities:** Fun games and arts & crafts sessions were held to spark creativity and teamwork among the children.
- **Moral and Social Awareness:** Students conducted small discussions on social values such as kindness, hygiene, and the importance of teamwork.

Special Activity - Play Act Performance:

A special highlight of the programme was a **play act performance** by the college student. This was the first experience of such an event for the primary school children. The play was designed to be educational and entertaining, focusing on **values like teamwork, helping others, and the importance of education**. The children were excited and engaged throughout the performance showing enthusiasm and curiosity. It was an eye-opening experience for them, as many had never witnessed such a live performance before.

Impact:

The programme was highly successful in creating a memorable experience for the children. The college students not only contributed to the academic development of the children but also introduced them to the world of drama and creative expression. It also allowed the college students to develop their leadership, communication, and teaching skills while fostering a sense of responsibility and community service.

Event Summary –

A Village cleaning campaign was organized for the entire NSS unit of RDTCPOLY, the event was supposed to start by 10 am but since all the units were coming to the venue the event started a little late at 11 am.

Every NSS volunteer was provided a set of gloves and a big garbage bag to collect the garbage. Every group was cleaning a certain part of the Village Street so that most of the area of the Village could be cleaned efficiently. We collected about 3-4 bags of garbage/waste from the village. After all the cleaning there were some more performances at the site so that the awareness could be increased among the people about our environment.

Unnat Maharashtra Abhiyan (UMA) is a project of the Ministry of Higher and Technical Education. Its mandate is to build an independent and public knowledge infrastructure for the state of Maharashtra which will bring socio-economic and cultural development for its people, especially those in the bottom 80% of the socio-economic strata. UMA aligns closely with the Unnat Bharat Abhiyan (UBA) mechanism of the Ministry of Human Resource Development, Government of India, whose vision is to bring about "transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India"

RDTCPOLY UMA conducted the **Village surveys** and **Baseline household surveys** for all the **1** villages in its fold in **70** households. These surveys were done by a team of **50** students from RDTCPOLY department and 3 faculty members using the standard questionnaires specified by UMA (See Annexures). It was done in a planned manner with formation of several teams who were allocated different areas for survey. 1 villages were divided into 2 clusters and surveys were organized for these one clusters on same day.

**CLUSTER 1: VILLAGE SURVEY AND BASELINE HOUSEHOLD SURVEY
KALEWADI POST KENJAL VILLAGES.**

A. VILLAGE SURVEYS:

Date -8th March 2024

Prof Nanaware S.K. and Khunte K.G. visited Morwadi Panchayath On office and had a meeting with PDO and other Panchayath officials. In the meeting date for baseline house hold survey was decided and the village survey formality was completed. to complete village survey and to finalize the household survey date. On our request, both the village PDOs permitted us to conduct baseline household surveys on 11March 2024.

B. HOUSEHOLD BASELINE SURVEYS:

Date: 11th March, 2024

Duration: 09:00 AM to 04:30 PM

Venue: MORWADI TAL BHOR DIST PUNE

Survey Team: First year Diploma students – 2024-2025 batch

UMA volunteers visiting households for the survey

On 11th March, 2024, 1st year Diploma student of 2024-25 batch started the household survey at 09.00 AM. Students were divided in to three groups, one each for for MORWADI village. Further based on the PDOs suggestion, these three groups are subdivided in to different small groups based on ward location.

The students groups started interviewing households in different groups in different places of the village. The response of the households was good and supportive. However, as the distance between the houses were little lengthy

REPORT ON
GUEST LECTURE ON FINANCIAL LITERACY
Academic Year: 2023-2024

Resource Person: Mr.Rohan

Shelke

Date of Guest Lecture:

13/03/2025

Time: 11.00 am to 01.30 pm

Number of Students present: 110 (-First year All Branch diploma Students)

Social and life skill had organized Guest Lecture for students on "Financial Literacy". The Guest Speaker was Mr.Rohan Shelke. He started his lecture by highlighting why Financial Planning is important aspect in every one life. He said that everyone earns money in their life time but very few of them achieve financial freedom & the reason behind this is nothing but lack of proper financial planning. He discuss the various steps which are need to be followed while doing a financial planning such as identifying the short term & long term financial goals to achieved, income capacity & liabilities . He said that one must also consult a certified Financial planner. He also spoke about various financial products, which are available, which could help us in achieving financial goal such as Share market, Insurance, Mutual Funds, SIP, Fixed Deposits, PPF etc. He also explained we need to review our financial plan every 3 to 5
