DEPARTMENT OF COMPUTER ENGINEERING

PRINCIPAL'S MESSAGE

I am very happy to note that the department of Computer Engineering of RDTC Polytechnic is releasing its newsletter enumerating the various activities and achievements of their faculty and students. Polytechnic education provides the knowledge and skills required to help revolutionize the world in which we live. The students and faculty of department are proactive in taking

initiatives in technical, cultural and social events. I hope this newsletter will serve the purpose of reflecting all activities of this department and it will inspire others to do their best. I congratulate all the students who have put their efforts in bringing this first issue of newsletter and also appreciate HOD and all faculty members for motivating the students towards this fulfillment. I wish each on of them in the department success in all their endeavors.

HEAD OF DEPARTMENT'S MESSAGE

It gives me immense pleasure to lead the Department of Computer Engineering, a highly sought-after program among students. As you embark on this exciting educational journey of discovery, we are delighted to partner with you in shaping your future.

The modern era has seen remarkable advancements in Computer Engineering, spanning both hardware and software. Each year, new Prof.Khutwad S.S. innovations emerge—from Robotics to Advanced Operating Systems,

Microprocessors, and Supercomputers. As technology continues to evolve at a rapid pace, the demand for skilled Computer Engineers grows significantly. Our students are highly sought after by top recruiters, reinforcing the boundless opportunities in this field. Established in 1985, the Department of Computer Engineering is one of the oldest, dedicated to providing quality education. We take pride in fostering industryacademia collaboration through MoUs, enhancing students' employability and keeping them ahead in the competitive world. Our committed faculty supports and guides students, encouraging hard work, diverse perspectives, and meaningful contributions to society. We are confident that our students will excel in their careers and become invaluable assets to the world.
